## KEEPING SAFE AT CAMP

**Hand Washing:** Campers and staff will be encouraged to wash their hands frequently and use hand sanitizer when hand washing is not possible.

**Face Coverings:** Campers and staff will be required to wear face masks at all times when indoors with the exception of sleeping, showering or eating. Campers and staff will be required to wear face coverings outdoors with 6 foot social distancing.

**Cleaning & Sanitation:** Cleaning and disinfecting of communal spaces between groups.

**Social Distancing:** We expect that all volunteers and staff to set a good example for youth by following social distancing guidelines of maintaining 6 feet when possible.

**Quarantine Test Mandate:** Prior to the arrival of camp, all participants including adults will be required to either have a negative COVID-19 test within 7 days of arrival OR the participants and those residents in the same household will need to have limited contact with others and self-monitor symptoms for 14 days.

**Health Screenings:** Camp staff will greet families at their car and will conduct a brief health screening including questions related to COVID. Staff will sign campers into camp and ensure necessary paperwork are in order. Any camper experiencing the following symptoms before arriving to camp, will not be able to attend camp: fever, sore throat, cough, runny nose, lethargy or fever over 100.4 (F). Daily health screenings including a temperature check and general questions will be given to campers and staff each morning during camp week. Any camper with a temperature of 100.4 degrees or above may not stay at camp. We will ask the family to pick up their child.
